

**CMVBC WAIVER PLAYER DEFINITION
(applying USAV Heart of America Region rules)**

“Age requirements for developmental players who play on non-gold teams may be waived to play with other players in their own grade. Teams with age-waived players cannot compete in Gold level tournaments.” HOA

The following birth dates and school grade MUST apply to be a waiver candidate.

CMVBC requires that ALL players attend their club age division open gyms and tryouts vs. their waiver age division option. The only exception is for 15 year old waivers (noted below) due to tryouts crossing multiple weekends.

Parents can indicate their waiver player’s age division preference on the player application, but ultimately CMVBC team requirements and HOA team registration level (Gold, Silver) will determine the player’s age division offer.
